

First Congregational Christian Church, UCC 150th Anniversary Celebration

We are proud to celebrate this occasion, but we know that it was all done through the grace of God. So, we will celebrate and praise God for the gift of this church. He has blessed us beyond all that we could have hoped for, expected or deserved.

From the very beginning, He led us. He sent us people who needed to hear the Good News of Jesus Christ. He provided the workers and volunteers who gave their time and money generously. When we were struggling and discouraged, He sent others believers to encourage us and lift our spirits. He presented us with opportunities in the neighborhood to serve and be a light in the community. When we prayed for wisdom, He provided us with individuals who shared out of their own experience and gave us a direction.

We realize this church is not our building, but our members. As such we are all members of the larger body of Christ. We thank God for each one of them. And the gifts they bring to the body.

We thank God for the gift of the Holy Spirit who quietly guides and directs our steps. Keep us attuned and aware of His guidance. We thank God for His Son, the Word who was from the beginning, who died and rose for us.
