

150th Historical Marker Litany

As we prepare to unveil and dedicate this marker which will stand for generations to come, let us remember and honor God with this responsive reading:

Pastor: Lord God, and the God of our fathers, mothers, and ancestors. The God that has led us for uncounted years and generations.

Congregation: Praise God in his sanctuary.

Pastor: As we look back, let us also look forward. As we prepare to unveil and dedicate this marker. Let this moment remain in our hearts and minds.

Congregation: Praise him for his mighty acts.

Pastor: It is upon us to ensure that we put in the time and energy, that we summon the willpower, and that we act with love and compassion toward all our fellow humans.

Congregation: Praise ye the Lord.

Pastor: Bless this church as we rejoice in it through a fellowship that stands the test of time.

Congregation: Praise God for His mighty acts.

Pastor: Let this marker not be a reminder of who we are, but a testimony unto God our Father.

All: Let everything that hath breath praise the LORD. Praise ye the LORD.

AMEN!
