## The Study of Fasting and Prayer

Pastor Robinson invites you to join him for Wednesday evening Bible Study as we explore the practice of fasting and praying.

Fasting is a powerful spiritual discipline that aligns our hearts more closely with the heart of God and also empowers us to see breakthroughs in specific areas. Fasting is when we go without food (or specific types of food) for a period of time and instead direct our attention more fully to God in prayer. It helps us as believers to not be ruled by our physical desires but to grow in spiritual power and authority over the desires of our flesh.
