Pastor Robinson invites you, “the People of God” to join him in a Holy Ghost led Bible Study for this academic year. We are a church where the truth found in the word of God draws you closer to Him and you can feel the power of the fire burning within!

This fire is the evidence of the presence of the Holy Spirit. In Acts chapter 2, we learn about the importance of the presence of the Holy Spirit to the Church; Acts 2:3 & 4:3 And there appeared unto them cloven tongues like as of fire, and it sat upon each of them. 4 And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance.

It is this same Holy Spirit that is identified in John’s gospel as our comforter and teacher of all things John 14:26. We are looking forward to feeling the fire burn in us as we study theological, traditional, contemporary and controversial subjects. These subjects will be taught on different levels, from beginners to advance. Topics from Denominations, “Why Do We Have Them,” to Biblical History, “The Birth of the Bible.”

Please join us as we allow the Holy Spirit to lead, comfort and teach us the word of God!
