Sponsored by the Women's Fellowship

We are pleased to extend a special invitation to you to attend the **2026 Annual Harvest Celebration**, sponsored by the Women's Fellowship of First Congregational Christian Church, UCC.

Please find the official invitation enclosed with this communication. We sincerely hope you will make plans to join us as we gather in fellowship with our congregation, honored guests, and members of the community for this special occasion.

The program will begin promptly at **2:00 P.M.**, with **Stacia Robinson** serving as our guest speaker. During the program, we will also present the **2026 Daring to Make a Difference Award**, recognizing an individual whose contributions exemplify a commitment to making a meaningful difference in our community.

We are pleased to welcome you and will recognize our invited public officials and candidates during the program. Following the celebration, you will have an opportunity to mingle with members of the congregation and our guests during the Harvest Reception.

As we approach the November election, you are welcome to bring **campaign literature, pamphlets, signs, and other voter education or civic engagement materials** to share with attendees, consistent with applicable church and election guidelines.

We look forward to your presence and to sharing this meaningful afternoon of **faith, fellowship, recognition, and community** with you.

Thank you for your service and commitment to our community.
